PROFESSIONAL SUMMARY

Final-year MCA (AI & ML) student and aspiring Python/Django and Android developer. Published PixShrink, an offline image and PDF compressor, on Google Play; deployed Django web applications with cloud databases; and built a free Python & DSA learning website. Seeking an entry-level Software Developer role.

TECHNICAL SKILLS

Languages: Python, Java, Kotlin, JavaScript, PHP, C++, C, C#, HTML, CSS

Frameworks: Django, Bootstrap, Android SDK

Databases: MySQL, PostgreSQL, MongoDB

Tools & Platforms: Git, GitHub, Docker, Postman, Android Studio, Google Play Console, Render, AWS, Neondb

PROJECTS

PythonDSA Notes – Free Python & DSA Learning Website

pythondsanotes.onrender.com

- (HTML, CSS, JavaScript) | Built and launched a free, no-login study site with 17 Python lessons, 91 interview programs with dry runs, a 6-level DSA roadmap, 120 interview questions, and 30 coding problems.
- Designed a consistent 12-step lesson format (concept, real-life example, dry run, time/space complexity, common mistakes) with browser-saved progress and no ads or tracking.
- Deployed from GitHub to Render.

InvoicePro – Multi-Tenant GST Invoice Generator (SaaS)

invoicegeneratorpro-web.onrender.com

- (Django, PostgreSQL, Bootstrap) | Built and deployed a multi-tenant GST invoicing web app supporting multiple companies on a single system, with invoice generation, customer/product management, and dashboards.
- Implemented CGST/SGST/IGST tax logic and demo access; deployed on Render with a cloud database.

NewsHub – News Aggregator Website

newshub-website.onrender.com

- (Django, NewsAPI, PostgreSQL) | Developed a Django news aggregator with user authentication, category filtering, search, and live news from the NewsAPI.
- Deployed on Render to demonstrate REST API integration and cloud deployment.

PixShrink – Image & PDF Compressor (Android App)

[Google Play Store](https://play.google.com/store/apps/details?id=com.devanshu.pixshrink)

- (Kotlin, Android Studio) | Developed and published an Android app on Google Play that compresses images and PDFs offline, with file sharing and no ads.
- Managed the full release on my own developer account, including store listing, privacy policy, and data-safety declaration (no data collected or shared).

EXPERIENCE

Data Annotation Intern – Sahana System Limited, Ahmedabad

Nov 2025 – Feb 2026

- Labeled and annotated newspaper content for a government-related digital project, working night shifts against daily deadlines.
- Maintained high accuracy and attention to detail while completing MCA coursework and exams in parallel.
- Received an offer to extend the internship from 3 to 6 months. (stipend : 10000 RS per month)

EDUCATION

MCA (Artificial Intelligence & Machine Learning) , Parul University (Online)	2025 – 2027 (Expected)
BCA (Cloud Computing) , Som-Lalit Institute of Computer Applications, Gujarat University	CGPA: 7.55 2025
HSC (Commerce) , Sahajanand Vidhyalaya, Ahmedabad	87.14% 2022
SSC , Sahajanand Vidhyalaya, Ahmedabad	72.00% 2020
